Come join us at the Highland Park Country Club (HPCC), a first-class conference facility where an outstanding all-you-can-eat buffet lunch is served with choices of salads, entrées, and desserts. This combination of quality and variety makes this luncheon an enjoyable eating experience and an excellent value.

Following lunch we will have a presentation on the Management of Large-Scale Disasters. Our speaker will be Eric Odderstol, CAPT, USN (Retired), who, while on active duty, led a 3400-Seabee response to Hurricane Katrina. Eric is a registered professional engineer, and currently employed by The Walsh Group in Chicago.

Please join the Lake Michigan Post on Friday, February 19th, for this interesting presentation.

Meet and network with your fellow SAME Members during and after our Post meeting. Earn 1 Professional Development Hour (PDH) by attending.
