Communications

Guard Services

Janitorial Services

March 11, 2010

Agenda

- FAA Service Areas
- CCR/EFT – AMS Clauses
AMS - FAST
- Products/Services
- Question & Answer

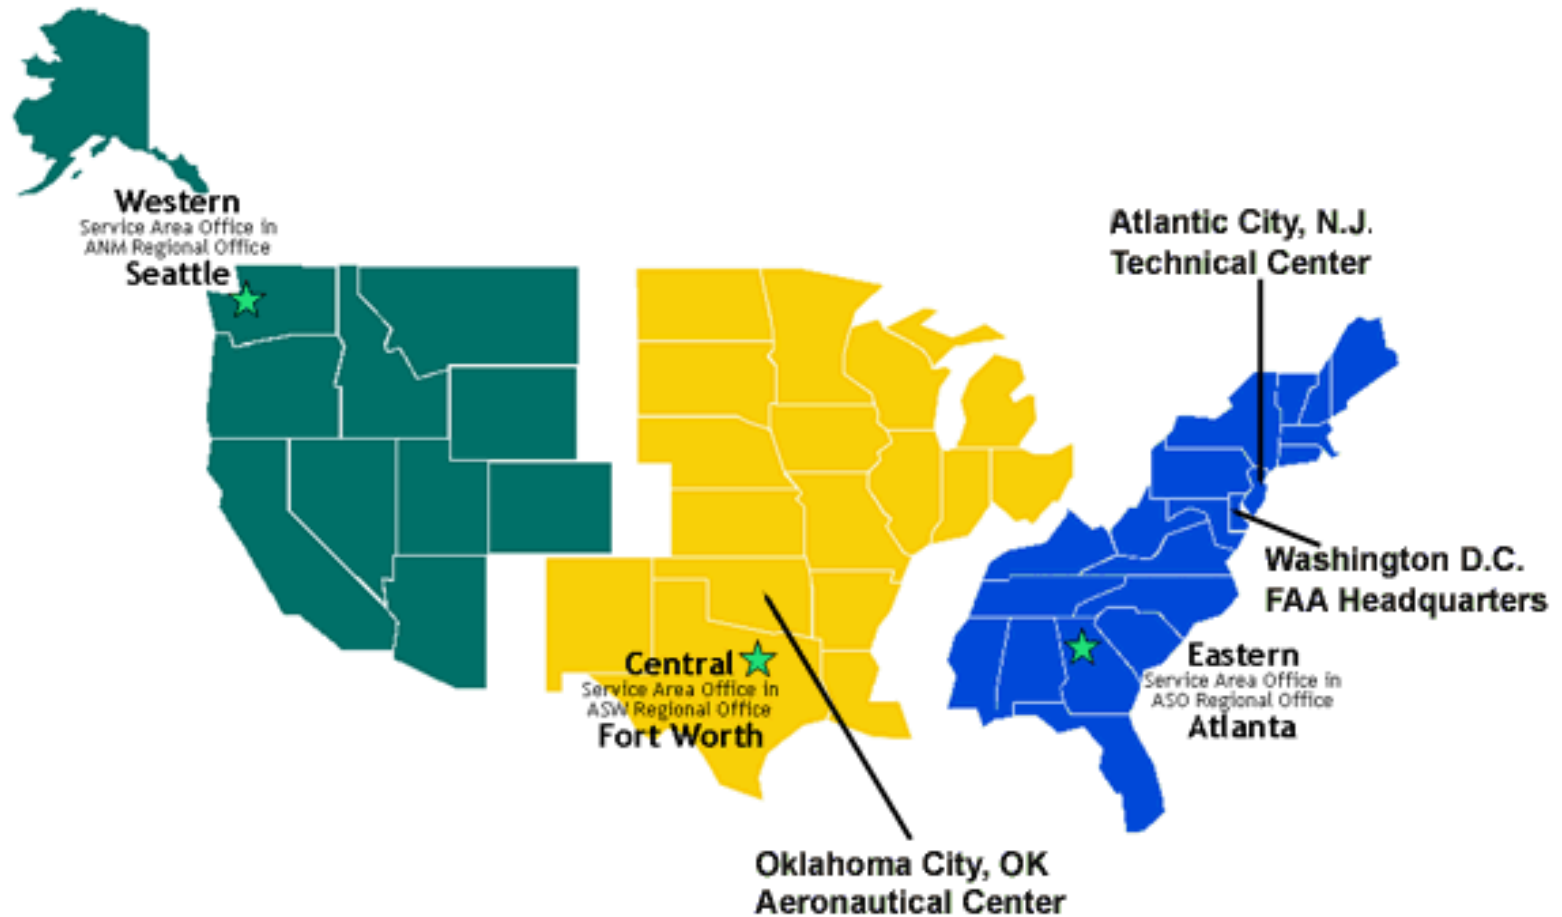

FAA Service Areas

- **In December 2006, FAA's restructured their Logistics Divisions. Previously there were 9 Logistics Divisions. Currently there are 3 Logistics Service Centers – Eastern – Central – Western**
- **Eastern Service Center – directs logistics activities of legacy Eastern, New England and Southern Regions.**
- **Central Service Center – directs logistics activities of legacy Great Lakes, Central and Southwest Regions.**
- **Western Service Center – directs logistics activities of legacy Alaska, Northwest Mountain and Western-Pacific Regions.**

FAA Service Areas

ACQUISITIONS

The Federal Aviation Administration purchases a wide variety of goods and services in support of the National Airspace System.

Effective October 1, 2005, All contractors must be registered in the Central Contractor Registration (CCR) database to be eligible to receive awards from the FAA. Website for CCR is:

<http://www.ccr.gov>. A Dun & Bradstreet number is required before you register in CCR.

Effective October 1, 2005, all vendors must be setup in FAA's DELPHI financial system to received electronic payments.

The following is a representative list of some of our common service acquisitions as well as WEB sites for FAA Business Opportunities and FAA Acquisition Regulations:
